

Mukilteo

COMMUNITY PROFILE

Mukilteo is a scenic waterfront community of approximately 19,360 residents located on Puget Sound 25 miles north of Seattle. The city was incorporated in 1947 and its residents have a great sense of pride, history and tradition.

The city is also a regional transportation hub for the Washington State Ferry System, which connects Mukilteo to Clinton on Whidbey Island.

The city is also a neighbor to the Boeing Company, Paine Field Regional Airport and other major employers along a technology corridor that reaches from northern King County through Mukilteo.

The Mukilteo Lighthouse Park is home to the historic Mukilteo Lighthouse Station and offers an accessible beach, picnic area, and a boat launch. Mukilteo has many events and traditions that take place all year round. In the spring and summer seasons Mukilteo boasts a wonderfully fresh farmers market, a summer concert series in the park and the Taste of Mukilteo. You will also be able to enjoy the Lighthouse Festival and the Christmas Tree Lighting Ceremony.
